EAEC

Dear Mr. Negrus,

on October 1 1990 EAEC has decided to accept SIAR as member No. 13 of EAEC.

Congratulations to SIAR!

As for the Student Conference planned by SIAR for 1992, EAEC asks SIAR to prepare an information on this plan to be sent by you to the EAEC member societies.

In an accompanying letter you should ask whether EAEC members would send attendees to this event and what proposals they might have.

EAEC is thinking about having a Student Conference every year, with West and East Europe alternating.

The next EAEC Committee Meetings are

- 1) 25 October 1990 16.00 at Delft (during the FISITA events)
- 2) 12 December 1990 10.00 at my Institute in Darmstadt.

I hope you can attend at least one of these meetings.

Thanks again for the cordial reception of Mr. Luckey and myself.

Sincerely Yours

(Prof. Dr.-Ing. B. Breuer)
